

Astronomers

Ms. Gradel & Mr. H

# Warm Up

Why are you studying astronomers?

How do they relate to modern astronomy?

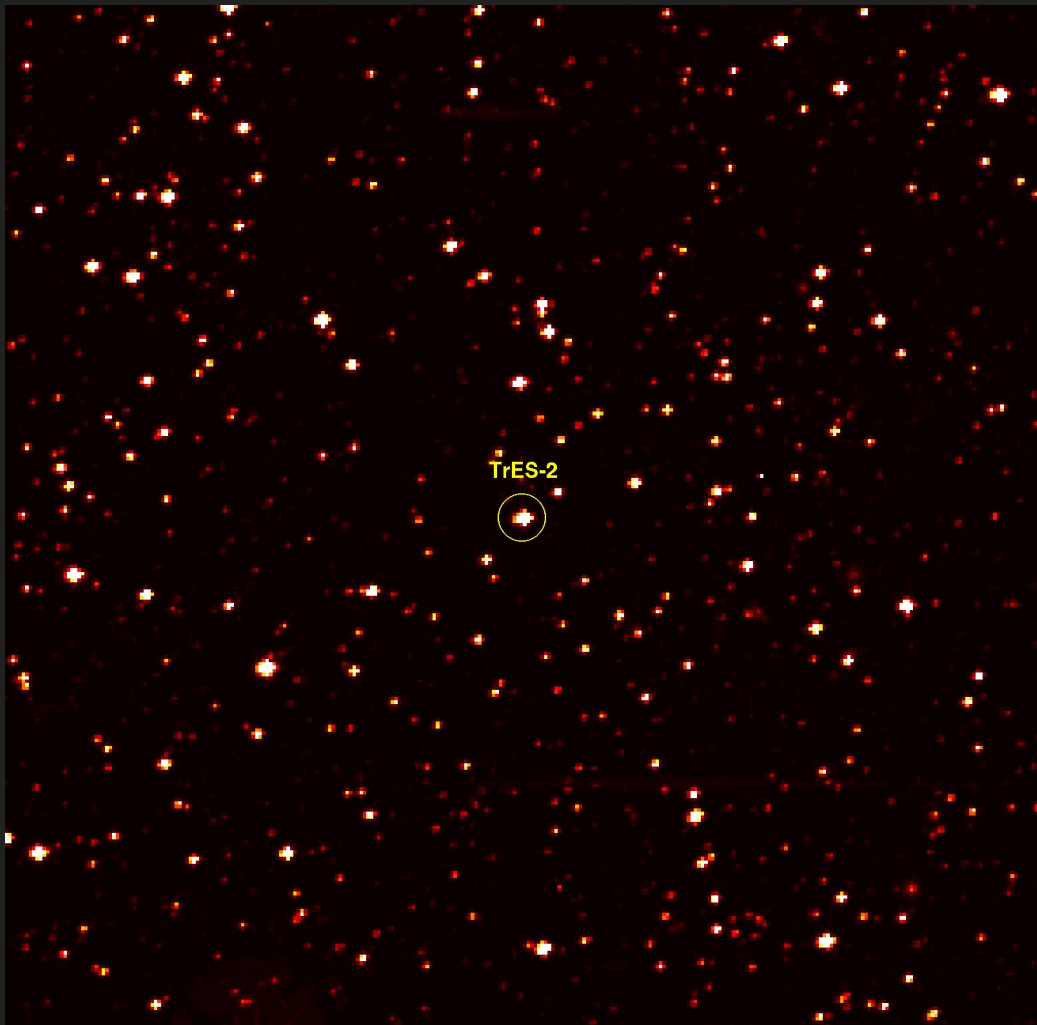

Try out AstronomersOnly.com  
for astronomers, physicists and  
scientific folks.

Church folks just don't get it!

# How to Speed Date:

1. Fill out your dating profile information.
2. Sketch your profile picture.
3. When done, quietly find a spot at any lab table.
4. You may use your device to find interesting facts on your astronomer while waiting for others to finish.
5. There will be 3 minutes between each rotation, share that time while getting to know your date.

# Wrap Up

Which astronomer would you want to have dinner with, why?
